

## Winter Scores Competition Mondays October – December 2019

A **FREE** to enter U3A members' club competition on a Monday there may also be a separate competition on a Thursday see Peter Chambers for details.

Mondays are arranged as normal and all you do is enter each of your game results on the sheet provided. If you **do not wish** to enter the competition then do not put your results on the sheet.

**Entry is free so you have nothing to lose.**

Weekly winter scores competition will run from the first full week of October until 16th December and this gives 11 weeks for the competition so the more often you play the better your chances of winning.

Before entering the results on the sheet check the result with your opponents.

Each time you turn up on a Monday you will be given 1 point for each game you play irrespective of whether you win, lose or draw the game.

You will receive 0 extra points for a game loss (making a total of 1 point)

You will receive 1 extra point for a game draw (making a total of 2 points)

You will receive 2 extra points for a game win (making a total of 3 points)

You will receive 3 extra points for a game you win 13-X (making a total of 4 points)

So, if you turn up and play 3 games and lose all 3 games you will get 3 points.

Likewise, if you turn up and play only 2 games and win 1 game 13-X and draw the other game you will get 6 points.

There will be prizes for the top 3 Ladies, top 3 Men and a 'mystery prize' on a Monday. If there is a tie on points then the person who played fewer games to gain the points takes the higher position.

Prizes will be presented at the earliest opportunity after the last round has been played or early in the New Year.

It is up to you to enter or ensure the Win 13 (W13), Win (W), Draw (D) or Loss (L) is entered on the sheet provided. If there is no sheet available then that week is void for everyone.

The weekly leader board will be available as a printed copy on a Monday to view and available to view by anyone on the Cirencester Pétanque website (below) and click / touch the "Current Leader Board Button"
